

**Study Tour on Social Work at NCSWT of Resident Doctors,
Division of Rehabilitation Medicine, Phramongkutklao Hospital
Hosted by Family Welfare & Social Welfare Services Committee
Thursday 11th May 2023, from 9:00 – 11:30 a.m.
At Meeting Hall 207, National Council on Social Welfare of Thailand**

On Thursday 11th May, 2023 from 9:00 – 11:30 a.m., 19 resident doctors from Division of Rehabilitation Medicine, Phramongkutklao Hospital came to National Council on Social Welfare of Thailand (NCSWT) for a Study Tour program on Social Work. Mrs. Kanittha Dhevinpukdi, Chair of Family Welfare & Social Welfare Services Committee, presided over the program and gave lectures on “Techniques for giving advice and referrals” and “Family and quality of life development for children with disabilities”. Ms. Nonglak Romthaisong, Executive Director, presented the History of National Council on Social welfare of Thailand

There was a presentation of 3 different case studies by social workers from three offices, Relief Distress Persons and Social Welfare Promotion Office, Government Lottery distribution for the Disadvantaged Office, and Occupational Promotion and Development for the Disabled Office, moderated by Ms. Wimon Boonchuaisuk, Chief of Relief Distress Persons and social welfare Promotion Office. After which the group of resident doctors was guided to visit the Career training center at Occupational Promotion and development for the Disabled Office. Mr. Somboon Phachumpuns, Chief of the Office and its staff were present to welcome them.
